Start here

Coverage options for enrollees with Medicare differ from coverage options for enrollees without Medicare. Follow the path that describes your situation. **Retirees and their eligible dependents may follow different paths.**

Retirees and dependents **under age 65 without Medicare**

*Follow the green path for your benefits.
You have coverage under:*

Cigna Medical Plan

You will remain covered under the same medical plan you had as an active employee until you become eligible for Medicare.

Learn more on pages 2-5.

**Your benefits include dental, vision,
hearing and EAP coverage**

See pages 12-15.

During Annual Transfer:
**Read your enrollment materials to learn
what's changing for the upcoming year**

Do nothing until you become eligible for Medicare

Then you must enroll for Medicare Parts A & B and send a copy of your Medicare card to Employee Benefit Services.* This allows you to move to one of the medical options for Medicare-eligible enrollees and for your premium to be reduced.

Retirees and dependents **with Medicare A & B**

*Follow the orange path for your benefits.
You have two options for retiree coverage:*

Cigna Medicare Advantage PPO

with Medicare Part D
Prescription Drug Coverage

Cigna Medicare Surround Plan

with Cigna
Rx Medicare (PDP)

See pages 6-11 for details.

**Your benefits include dental, vision,
hearing and EAP coverage**

See pages 12-15.

During Annual Transfer:
**Read your enrollment materials to learn
what's changing for the upcoming year**

Elect a different option

Annual Transfer is your opportunity to switch from your current plan to the other medical option; see page 17.

Do nothing

If you're happy with your current plan, you don't have to do anything; your coverage will continue.

* Provided you're not covered under any other active employee medical plan such as a spouse's employer plan.

Medical

The medical plan for retirees under age 65 without Medicare is the same medical plan you had as an active employee. It's administered by Cigna and covers a wide range of services, including preventive care, office visits, surgery, hospitalization and prescription drugs.

How the plan works

The medical plan centers around Cigna's Open Access Plus (OAP) network of health care providers. When you use OAP network providers and facilities, you receive in-network benefits and generally pay less out of your own pocket.

You also have the flexibility to use providers outside the OAP network and still receive benefits; however, you will receive lower out-of-network benefits and likely pay more out of your pocket. Out-of-network benefits are also subject to Cigna's maximum reimbursable charge; if your out-of-network provider's charges exceed this limit, you will be responsible for paying the difference.

Choosing a provider

You don't need to select a primary care physician, and you don't need a referral to see a specialist. However, your out-of-pocket costs will be lower if you use in-network providers.

To find network providers, call **1-800-244-6224** or:

- » If currently enrolled in an MNPS Cigna plan, visit [myCigna.com](https://mycigna.com).
- » If not yet enrolled, visit Cigna.com and search for a provider under Open Access Plus.

How much you pay

The amount you pay depends on the service or product you receive, as shown on the chart on page 4. Office visits and prescription drugs are covered with a copay. A copay is a set dollar amount you pay for a service or product provided. If a copay is charged, the deductible does not apply; the plan pays benefits even if your deductible is not satisfied. Copays do not count toward your deductible.

Other services require you to meet a deductible first, then pay a percentage of the cost (coinsurance). Only the cost of covered services apply toward the deductible. The family deductible is three times the amount of the individual on your the health plan.

Once you reach the out-of-pocket maximum in a calendar year, the plan will pay 100% for covered expenses for the remainder of that calendar year. Amounts paid toward the deductible, coinsurance and medical copays do apply toward your medical out-of-pocket maximum.

ID card

You will continue to use your current Cigna medical ID card in 2022; no new cards will be issued.

Prescription drugs

The medical plan covers prescription drugs for a flat dollar amount called a copay. The amount you pay depends on the drug's tier, as shown in the chart on page 5. Certain preventive drugs have a \$0 copay. Visit [myCigna.com](https://mycigna.com) to see the list of no-cost preventive drugs, as well as a list of covered brand name drugs in the preferred tier. Prescription drug copays do apply to your pharmacy out-of-pocket maximum, which is separate from the medical out-of-pocket maximum.

Brand name vs. generic

If you choose a brand name drug when a generic is available, you will pay the brand name copay, plus the cost difference between the brand name and the generic. There is one exception: If your doctor specifies that the brand name drug is medically necessary and gets required authorization from Cigna, you will pay only the brand name copay.

Cigna Home Delivery

Through Cigna Home Delivery, you can save money on 90-day supplies of medication you take regularly. Standard delivery is available at no additional cost. Call **1-800-285-4812** to get started.

Cigna Medicare Advantage PPO*

with Medicare Part D Prescription Drug Coverage

The Cigna Medicare Advantage** PPO (MAPD-PPO) covers everything Original Medicare (Parts A and B) covers, plus many extras, including Part D prescription drugs and other value-added benefits.

How the plan works

With the Cigna MAPD-PPO, you can visit any provider who accepts Medicare and this plan. Accepting the plan means the doctor is willing to treat you and bill Cigna, even if they are not contracted with Cigna as an in-network MAPD provider. You pay the same cost share whether you see a network or out-of-network provider. You don't need to select a primary care physician, and you don't need a referral to see a specialist.

Under the plan, there are no deductibles. You simply pay a copay or coinsurance amount for covered services. See the chart on page 10.

Choosing a provider

To find in-network providers, visit [CignaMedicare.com/group/MAresources](https://www.cignamedicare.com/group/MAresources). If your doctor is not in the Cigna MAPD-PPO network and will not accept the plan, call Cigna Customer Service at **1-888-281-7867 (TTY 711)**. They will reach out on your behalf.

Prescription drugs

The Cigna MAPD-PPO includes Medicare Part D prescription drug coverage. Therefore, MNPS retirees in this plan do not need to enroll in an independent Medicare Part D plan; doing so would result in the cancellation of your MNPS coverage.

Benefits for covered prescription drugs are based on a drug list, called a formulary. You can view the drug list and see how your current medications are classified by creating and/or logging onto [myCigna.com](https://www.myCigna.com) (see next column). See page 11 for prescription drug copay amounts.

Finding network pharmacies

To locate network pharmacies, visit [CignaMedicare.com/group/MAresources](https://www.cignamedicare.com/group/MAresources).

ID cards

The Cigna MAPD-PPO has only one ID card for both medical and prescription coverage. All enrollees will receive an ID card in the mail to use in 2022.

Cigna Medicare Surround Plan

with Cigna Rx Medicare (PDP)

The Cigna Medicare Surround Plan, administered by Cigna, helps pay some of the health care costs that Medicare Part A or Part B does not cover.

How the plan works

The Medicare Surround plan pays half of what Medicare does not pay, and you pay the other half. For example, if Medicare pays 80% for a covered service, leaving 20%, you will pay 10% and the Surround plan will pay 10%. See the chart on page 10.

Choosing a provider

The Medicare Surround does not require you to use network providers. You can visit any health care provider who accepts Medicare. You don't need to select a primary care physician, and you don't need a referral to see a specialist. To find doctors who accept Medicare, visit [medicare.gov](https://www.medicare.gov) or call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY/TDD users call **1-877-486-2048**.

Prescription drugs

Under the Medicare Surround plan, coverage for prescription drugs is provided through the Cigna Rx Medicare (PDP). This plan is an approved Medicare Part D plan. The plan has been deemed creditable and is equal to or better than the Medicare Part D plan. Therefore, MNPS retirees in the Cigna Medicare Surround do not need to enroll in an independent Medicare Part D plan; doing so would result in the cancellation of your MNPS coverage.

Benefits for covered prescription drugs are based on a drug list, called a formulary. You can view the drug list and see how your current medications are classified by visiting myCigna.com.

See the chart on page 11 for prescription drug copay amounts. If you use an out-of-network pharmacy, you will pay more out of pocket.

Finding network pharmacies

To locate network pharmacies, call the number listed to the right or visit CignaMedicare.com/group/PDPresources.

ID cards

There are two ID cards: one for medical/hospital expenses from Cigna with the word INDEMNITY printed on the front; the other for prescription expenses from Cigna Rx Medicare (PDP). Current enrollees will continue to use their current ID cards in 2022; only new enrollees will receive new ID cards.

Dental

The dental plan, offered through Cigna, provides 100% coverage for preventive care when you use Cigna network providers. It covers restorative services after you meet an annual deductible, as well as orthodontia for both children and adults.

How the plan works

You can see any dentist you choose, but dental benefits are highest when you choose a provider in the Cigna Total DPPO Network.

Finding network providers and more

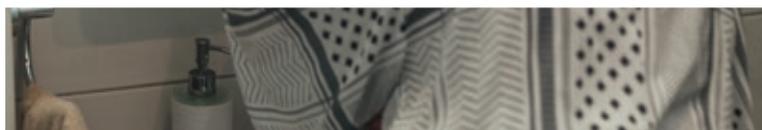

For a list of providers or for more information about the plan, call **1-800-Cigna24 (800-244-6224)**, or visit **myCigna.com**. MyCigna is a tool that stores all your dental information in one secure place. Your login connects you to:

- » Dental provider directories
- » Provider comparison tools
- » Quotes on common dental care services
- » Forms
- » Information on health conditions
- » Discounts to other services and more

If you choose to go to a non-Cigna provider and charges exceed the contracted amount (called the Maximum Allowable Charge, or MAC), you must pay your coinsurance plus the amount exceeding the MAC.

Pre-treatment estimate

If your dentist recommends a course of treatment that is expected to cost \$200 or more, you should ask your dentist to file for a pre-treatment estimate of benefits. This helps you avoid surprises by letting you know how much is payable for the proposed treatment before it begins. A pre-treatment estimate is not a guarantee of payment. Actual benefit payments will be based on procedures completed and subject to plan limits and maximums.

Dental benefits ... at a glance

Below is a summary of your dental plan benefits. Additional benefit and frequency limits may apply; see the official plan document for more details.

Vision

Vision coverage, offered through EyeMed, covers eye exams, frames, lenses and contacts, and provides discounts on many other products and services.

How the plan works

You can see any eye care professional you choose, but you receive the highest benefits when you use EyeMed network providers. For a list of providers, visit eyemed.com (select Find an eye doctor, then select the Insight network from the dropdown menu).

If you choose to receive services from an out-of-network (non-EyeMed) provider, your benefits will be based on the out-of-network allowances shown in the chart below.

You must pay the provider in full at the time of service and submit a claim for reimbursement.

If you have questions prior to enrolling, call EyeMed customer service at **1-866-800-5457**. Once enrolled, call the number listed on your ID card. Or visit eyemed.com anytime.

Steps to take...

When you retire

See your Retirement Planning Guide. It contains important details about what happens to your and your covered dependents' benefits when you retire, and the steps you need to take.

At Annual Transfer

If you (or a covered dependent) are under age 65 and not yet eligible for Medicare and receive this guide during Annual Transfer, there is nothing you need to do other than learn about any plan/coverage changes for the upcoming year. Those changes are described in your Annual Transfer packet.

If you (or a covered dependent) are eligible for Medicare and receive this guide during Annual Transfer, read your packet materials to learn about any benefit changes for the upcoming year.

- » If you're happy with your current medical plan, you don't have to do anything; your coverage will continue.
- » If you wish to switch to a different plan for the upcoming year, make your election in one of the following ways by November 30 of the current year. (If you decide not to use online or phone enrollment, your Enrollment Form is enclosed in your Annual Transfer packet.)

ONLINE: Go to [MNPSBenefits.org/retiree](https://mnpsbenefits.org/retiree) > Benefit Express (follow the instructions to log on)

EMAIL: Print and scan or take a picture of your completed Enrollment Form, and email it to benefits@mnps.org

FAX: 615-214-8990

MAIL OR DELIVER: Employee Benefit Services, MNPS, 2601 Bransford Ave. Nashville, TN 37204

When you become eligible for Medicare

Once you (or a covered dependent) become Medicare-eligible, you (or they) must enroll for Medicare Parts A & B and send a copy of your Medicare card to Employee Benefit Services.* Your retiree medical coverage will then be provided through an MNPS plan that coordinates with Medicare (see pages 6-11). You will be provided with more details about your coverage as a Medicare beneficiary at that time.

* Provided you're not covered under any other active employee medical plan such as a spouse's employer plan

If you have a qualifying event

If you need to change your coverage or add or drop dependents from your coverage due to a qualifying life event, you have 60 days from the date of the event to do so.
